[REDACTED]  
[REDACTED]

Doctor Unique ID: [REDACTED]

---

## Doctor Notes

Subjective Observations: Patient reports occasional shortness of breath and mild fatigue. Denies chest pain at rest. Compliant with medication regimen.

Assesment: Heart Failure, NYHA Class II. Stable on current medication. No significant changes since last visit.

Recommendations: Continue current medication regimen. Monitor weight and fluid intake. Encourage regular, light exercise as tolerated.

Follow Up Instruction: Follow-up appointment in 3 months for routine evaluation. Schedule earlier if symptoms worsen.

---

## Past Hospital Visits
